Subject: 1st Feeder Fishing World Championship for Clubs – Riola (Valencia), Spain

Dear friends,

it's a pleasure to confirm you that, from March 30th until April 2nd 2017 Spain will host in Riola (Valencia) the 1st Feeder Fishing World Championship for Clubs. Further to the information received by the organisers, we could ascertain that the maximal available capacity of the venue is of 45 teams, composed of 4 members each. **Under no circumstances, a higher number of teams could be accepted.**

For this reason, the FIPSeD Steering Committee, unanimously, decided to authorize for each country **a maximum of 2 clubs.**

Best regards.
